

# “FAMILY-FUN PACK”

## WHAT IS THE FAMILY-FUN PACK?

The Kittatinny Players knows what it takes to create a family. This is done through accepting all and becoming one. To help nurish this environment, we share time through meals and share memories together with momentos.

For the price of \*\$33.00, your child will receive all meals scheduled on the calendar for free, (about 5-8 meals, depending on your child’s role in the play), special dinner before the final performance, a HD Video link of the show, and a show t-shirt. The total price of the meals, parties, t-shirts and the cost to make the video is about \$66.00 a child. Since this is a partnership, The Kittatinny Players are covering the other 50% of the costs through donations, fundraising and advertising sales.

Participation is not mandatory but we strongly suggest that your student participates. This is not meant to be a financial burden on any family so if you need to arrange payments or if you would like to see if this fee can be voided due to hardship, please contact

Mr. Chiariello at [rchiarie@krhs.net](mailto:rchiarie@krhs.net).

*\*If you are involved only in our part-time involvement program, the fee would be \$17*
